

This is your Summary

This year's Culture Fest will be held. You, Shailja Upadhyay and other members of the student council will organize it. They will organise cultural activities, workshops, music performances, art and craft sessions, etc. You will organize the social media campaigns to promote the fest and get more students involved in it. The event will take place in October. They will organize regular meetings to discuss the plans. They want to make it memorable and effective for the whole school community, especially for the students, as it is the highlight of the academic year for them, and for the rest of the school year. It will be a celebration of diversity and unity within their school community. It is their responsibility to organize it, so they will try to involve as many students as possible in it, as they can, as well as for promoting it on social media. They agree to set up regular meetings that may arise along the way, but they need to arrange more meetings later on, as there is a lot of work involved in planning the fest, as the fest. It is the responsibility of the students to organise the fest as a team. . It was decided to start planning soon.
